

# Corsicana 16

Grill with Steel Wheels

Get ready to be named your neighborhood grill master with the **Corsicana**. This compact, super-efficient grill is crafted by our team of **Texas Artisans**. The Corsicana wood-fired grill is **Hand-Forged** with a perfectly straight cooking surface. Corsicana's heat retention system is bar none and its dual damper air flow system means that you will be spending less time fiddling with the heat gauges and more time lying back enjoying the company of your guests while the meat cooks to BBQ perfection. The Corsicana grill is a more compact, backyard friendly version of our larger grills, but do not let this small grill fool you! The Corsicana grill will give you searing hot temperatures fueled by wood or charcoal when you need it.
