## The Spindletop 45" Fire Pit Grill

Manufacture Model# SFG-45

*The Spindletop Wood Burning Fire Pit Grill will change the atmosphere of your outdoor living space. The top grill is adjustable up or down, and can easily be removed when needed. Available in a range of sizes from 24" to 60" grill diameters The Spindletop Fire Pit is perfect conversation piece for backyard. Enjoy it year round for everything from a small cozy get-together on your patio to a larger party or celebration. The Spindletop fire pit is a great way to socialize with family and friends – all year long!*

*Hand built in Houston, TX from 3/16" thick steel tank cap, this durable construction assures this beautiful fire Pit will be around for many years to come. The Spindletop pit comes coated with a high temperature resistant paint and has a drain in the bottom. The top grill grate is easily and fully removable and also pivots out of the way for easy access.*

*I will never have to buy another Fire Pit again. This will last my lifetime and is considered one of our family heirlooms. Grilling Fajitas, Chicken, wild game, fish, or whatever you want they all get eaten and enjoyed -- **Greg M.***
